Our Financial Policy

We strive to provide excellent, affordable dental care for our patients. Our credit policies have been established to ensure that the best services can be provided to you and your family. We hope to avoid any misunderstandings about payment for those services.

We ask that our patients pay for treatment as services are rendered. If your treatment is extensive and requires several visits before it is complete. You may make payments. However, the treatment must be paid in full at the final visit.

If you have dental insurance, we ask that your co-payments and deductibles be paid at the time of service. We will process your insurance claims for you at no additional charge and the payment will be assigned to our office. **Due to constantly changing insurance, contracts. Benefits and deductibles we are only able to approximate your insurance coverage.** If the insurance company pays less than expected, you will charge the difference. Final responsibility for payment rests with the person responsible for your account. (Parents who accompany minor children are responsible for the charges incurred). Please notify us of any changes to your insurance coverage.

Please be advised that a 1.5% monthly service charge (18% annual rate) will be applied to all overdue accounts after 60 days. If your insurance company does not pay in full within 90 days, we may ask you to pay your balance with cash, money order or credit card.

We also reserve the right to charge a broken appointment fee of $40.00 for any appointment cancelled with less than 24 hours notice. In addition, any appointment made and no show up for three consecutive times we have the right to dismiss patient from our office.

In addition to accepting credit cards, our office has made arrangements with Dental credit card. They are now able to offer low monthly payments to our valued patients who qualify for credit.

I understand that any treatment fees quoted are honored for up to a three month time period and may change after that.
